## Stay at home, stay safe, stay in touch-

### -your weekly update from Marish Academy Trust.

From today, Wednesday 25<sup>th</sup> March, we will be contacting all families by phone to see if you need any help with education resources or provisions for your family. If you see a withheld number on your phone, please pick up, as it is likely to be your child's teachers phoning from their homes.

This week we have already delivered dozens of food parcels and if you are in need or your child is entitled to free school meals please tell the staff member who calls you.

From next week the government hopes to have a grocery voucher scheme up and running, but in the meantime we will endeavour to fill the gap, for those families who cannot get the basic necessities. Please wait until you hear from us before you sign up for vouchers because as your child will tell you, you should never give your bank details out online or over the phone until you have checked it is safe to do so.

We have closed Willow this week and moved any Willow children who need to come in, to Marish. We have had between 30 and 60 children each day in school and are maintaining a small team to teach and care for them. This is likely to continue every week day and over the Easter holidays. If you child cannot be cared for safely at home because you are a key worker, please contact the usual [post@marishandwillow.co.uk](mailto:post@marishandwillow.co.uk) and we will make arrangements to have them here.

Any new updates or resources will be uploaded to this page or the home learning pages regularly, so watch this space.

Take care and keep in touch, Mrs Denham, the staff team, governors and trustees.
