Section 1: Introduction

The policy outlines the commitment of the staff and Strategic Board at Marish Academy Trust to ensure that the equality of opportunity is available to all. This means, not simply treating everybody the same, but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in the Trust, celebrating and valuing the equal opportunity achievements and strengths of all members of the school community. These include:

- Pupils
- Teaching and Support staff
- Parents/carers
- Trustees and Governors
- Other Multi-Agency Professionals
- Visitors
- Placement students

We believe that equality within Marish Academy Trust should permeate all aspects of Academy life and is the responsibility of every member of our schools and wider community. Every member of our community should feel safe, secure, valued and of equal worth.

Equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs, sexual orientations, age or any other recognised area of discrimination.

Section 2: Legislation and Guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which requires schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This document also complies with our funding agreement and articles of association.

Section 3: Monitoring and Review

Equality is identified as an area requiring careful and on-going monitoring and due regard is given to all aspects of equality. The Executive Headteacher and Substantive Headteacher at Marish Academy Trust are responsible for co-ordination the monitoring and evaluation of the policy.

We regularly review the impact of our policies on the needs, entitlements and outcomes for pupils, staff and parents from the equality strands referred to in this policy. We pay specific reference to the impact that our policies have on the attainment of pupils from different groups.

We regularly assess pupils' learning and use this information to track pupils' progress, as they move through our schools. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The Strategic Board receive regular updates on pupil performance information.

School performance information is compared to national data and Local Authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools or academies in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Suspensions and truancy
- Incidents of racism, disability, sexist incidents and all forms of bullying
- Attendance

Our monitoring activities enable us to identify any differences in pupil performance. This allows us to take appropriate action to meet the needs of specific groups and to set targets in our strategic plan, in order to make the necessary improvements.

Section 4: Promoting Equality through the Curriculum

Teaching and Learning

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:

- Ensure quality of access for all pupils and prepare them for life in a diverse society.
- Use materials that reflect a range of cultural backgrounds, without stereotyping.
- Promote attitudes and values that will challenge discriminatory behaviour.
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures.
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions.
- Develop pupils' advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality.
- Ensure that the PSHE curriculum covers issues of equality, diversity, religion, human rights and inclusion.
- All departments, where appropriate, promote and celebrate the contribution of different ethnic groups to the subject matter.
- Seek to involve all parents and carers in supporting their child's education.
- Provide educational visits and extra-curricular activities that involve all pupil groupings.
- Take account of the performance of all pupils when planning for future learning and setting challenging targets.

- Make best use of all available resources to support the learning of all groups of pupils.
- Identify resources that support staff development.

Learning Environment

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability or social background. All pupils are encouraged to improve on their own achievements. Parents and carers are also encouraged to view their own children's achievements in this light.

To secure the desired outcomes we recognise:

- Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils.
- Adults in the Trust will provide good, positive role models in their approach to all issues relating to equality of opportunity.
- Marish Academy Trust should place a very high priority on the provision for special educational needs and disability. We aim to meet all pupils' learning needs including the more able by carefully assessed and administered programmes of work.
- Marish Academy Trust must provide an environment in which all pupils have equal access to all facilities and resources.
- All pupils are to be encouraged to be actively involved in their own learning.
- A range of teaching methods are to be used throughout the school to ensure that effective learning takes place at all stages for all pupils.

Curriculum

At Marish Academy Trust, we aim to ensure that our:

- Curriculum is aspirational in its intent and will provide resilience building training for all pupils to prepare them for life's inevitable challenges.
- Planning reflects our commitment to equality in all subject areas and cross-curricular themes promoting positive attitudes to equality and diversity.
- Pupils will have opportunities to explore concepts and issues relating to identity and equality.

All steps are taken to ensure that all pupils have access to our curriculum by considering the cultural and lifestyle backgrounds of all pupils, their linguistic needs are considered and their learning styles considered.

Section 5: Ethos, Vision and Values

- At Marish Academy Trust, we are aware that those involved in the leadership of the academy community are instrumental in demonstrating mutual respect between all members of the school community.
- There should be an atmosphere of 'openness' which welcomes everyone to the Trust.

- The children are encouraged to greet visitors with friendliness and respect.
- The displays around the schools are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored.
- Provision is made to cater for the spiritual needs of all the children through planning of both assemblies, classroom based and external based activities.
- Marish and Willow are recognised as more than just schools, becoming a Trust learning community without walls, which empowers all its members to become leaders and make a positive difference; regardless of their age or other protected characteristics.

- Include materials to raise awareness of equal opportunity issues.
- Be equally accessible to all members of the community consistent with health and safety.
- Not include explicitly and implicitly racist, sexist, homophobic or ageist materials.

Section 7: Language

We undertake responsibility for making contributors to extra-curricular activities aware of the Trust's commitment to equality of opportunity.

We try to ensure that all such non-staff members who have contact with children adhere to these guidelines and ensure that they are DBS checked.

- All pupils/staff/parents/carers are given support as appropriate when they experience discrimination. We also recognise that the perpetrators of discrimination are themselves sometimes victims of their personal circumstances and therefore, where appropriate, remedial work is done to ensure that the actions do not occur again.
- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community.
- Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

Section 11: Staffing and Staff Development
